

Resort Property Nuevo Vallarta LLC ("RPNV LLC")

**One-Week Owner Auction
December 25, 2015 to January 1, 2016**

Background:

About every seven years we pick up one week on the calendar. In order to keep our calendar starting with week number one near the first week of the year we have to make an adjustment. You will note that this year's schedule has 53 weeks to accommodate this catch up week.

In the past we have made this week available to owners of the Mexico property by allowing them to rent the week via an auction process, with all the proceeds going to the company, RPNV LLC, for the benefit of all. This year (2015) we will do the same, with the highest bid able to secure for rent the last week of the year, from December 25 to January 1, 2016.

Auction Rules:

- Only Owners of RPNV LLC are able to bid for the specified week.
- Bidding will begin when the calendar is posted on the web page, and end at 6 pm (Pacific Daylight Time), April 30, 2015. This will allow for time to secure reasonable airfare costs during this high cost period of the year.
- Bids will be submitted to Russ Haycock via email (rhaycock@hotmail.com) in multiples of \$100, with the starting minimum bid of \$2,000 for the week.
- In the event of a tie bid on the last day of bidding, a run-off open bid will be established by telephone within five days (May 5, 2015). Tie bidders will be advised accordingly.
- Bids will be posted on the web page as they are presented.
- The Owner with the winning bid will pay the amount due by May 15, 2015, with a check payable to Resort Property Nuevo Vallarta LLC.
